Redesign ideas for envoy catalyst bethel classroom management program

Overall:
Go through Chelsea's videos and use
Go through my videos and refine

EDUC745

EDUC746:
-Complementary resources for CRT connections that don't overlap the CRT class
-More emphasis on styles without people attached
-Skip chapter 5/6
-Replace some of the nine lives skills with other ideas (KTITR?)
-Reduce emphasis on analogy and increase people analysis

EDUC 747:
Group Formation clips from movies:

Richie Rich: Unformed managing a collection of individuals (and formed w/ seasonal giggles)

Indicator 1: Catch me if you can

Maybe an assignment option is to find examples of one or more indicators that show formed/unformed

Watch curated clips and identify the indicactors present:
Kindergarten Cop Shut Up (speed back to the teacher, too much power, shocked)

Legally Blonde first day of school (unuisance, where are they looking direct acknowledgement @1:25,

Matilda (nuisance, formed against the leader, teacher as bully?,

Group sees teacher as inappropriate, then teacher steals individual's thunder

Fairness?

Wonder (increasing status, indirect acknowledgement, fostering group knowing each other)
